# Freight Specials

Red Carpet Studios continues to work with our customers as we both struggle against rising freight costs. Over the past year, we have determined that customers obtain the best value of their freight dollar when shipping larger orders. We have revised our garden program to reflect this. All orders that are \$500 or more will receive a 15% freight cap (not including oversize items). As your order amount grows, so does your savings. Please review our available freight programs in the terms and conditions section in the back of the catalog.
